July 14, 2015

To Whom It May Concern:

We have the tent permits until August 3, 2015 we are asking to have an extension on that date since we need the tents up longer for certain dates for the gallery.

These are the dates that we will need to have the tents up in the back parking lot for the extension:

August 6-10

August 13-16

August 27-31 this is a possible date since we do not know if we are going to have the tents up this weekend

September 10-14

September 24-28 this is a possible date since we do not know if we are going to have the tents up this weekend

Thank you,

Ashley Moore
